The San Bruno Police Department will continue to deploy uniformed and plainclothes officers to conduct enforcement and surveillance operations in an effort to combat these types of crimes.

Most residential burglars select a residence where they believe no one is home. In order to ensure this, they often knock on a door. If they get an answer they will come up with an excuse for knocking. If they get no answer they commit the burglary. Alert neighbors provide the biggest help to police in solving these crimes. We encourage the community to remain vigilant and immediately report any suspicious vehicles or activity via 911.

If you return home to find suspicious persons at or near your residence, call 911. Don't confront the suspects. If you find an open/broken window or door, do not enter. The perpetrators may still be inside. Use a cellular phone or a neighbors phone to call 911 and write down license plate numbers of suspicious vehicles. Note descriptions of suspicious persons.
